

Transportation Summit

Have you ever had a physical condition that kept you from driving?

Do you have kids or grandkids that need to get places on their own but don't drive yet?

Would you and your family like to ride your bicycles and walk safely around our county?

Do you have to commute in traffic to work?

Would you ever like to go out and have a few drinks, and not drive home?

Do you know anyone who has a tough time getting to work or medical appointments in Livingston County?

Are you a senior, or know any seniors, who don't want to drive and want to "age in place" at home?

If you answered yes to any of these questions, you should attend the Livingston County Transportation Summit

The Summit will help shape the future of public transportation in our county.

Summit participants will:

- demonstrate the widespread and strong support for improving Livingston County's public transportation;
- learn about a comprehensive vision for Livingston County's public transportation future; and,
- have an opportunity to express their views, ask questions and become part of the solution.

When: January 17, 2017
Where: Cleary University, Johnson Center
Time: 8AM—12 Noon
Cost: FREE
RSVP: Register at:
